

## Information about Applying to Kids Academy Noah School Year 2019

*We, at Kids Academy Noah encourage children to think by themselves, to become self-confident and grow up to be strong individuals. Children will have enough time to find their interests and passion during play time and learning with others. For us accepting every child individually is most important. Because we know - every child is different. Our goal is to use English as a tool to communicate with the children. Our international team is bilingual and will help the kids to enjoy learning and embracing different cultures. Becoming fluent in English is not a must. And this is also not the aim of Noah. Children have all individual learning habits and some might enjoy learning languages, whereas others might enjoy playing or communication with friends. Our teachers at Noah will support all the kids individual needs and their interests. We will always do our best to make the kids enjoy learning and growing up.*

### **How to apply?**

1. Pay the initial fee (according to the course you choose) to reserve your child's place at Noah. When you wire the amount please inform us about your child's name as well, so we can track back the money to the account holder.
1. Send the application form in English or Japanese **between 10/9 until 10/19 via post.**
2. After considering your application, confirming the payment and checking that your documents are complete and correct we will contact you back until **October 31st.**
3. When your application is confirmed and your child is accepted to join Noah, we will invite you for an orientation meeting and interview.

### **Why Noah?**

1. Parents will be asked to agree with Noahs education style. We will never judge kids or push them to do things they do not enjoy. We value rules and good manner but we respect the freedom of children. We see Noah as a garden with a fence - kids can play freely inside the garden, whereas the fence is the border of rules and manner and education policies we teach the kids.
2. We appreciate the cooperation of parents to provide a good education for every child. Parents meetings will be held annually where teachers and parents can discuss the education of their child together.
3. Noahs teachers are highly-educated skilled foreigners from different countries with fluent English language skills. They work together with professional and experienced Japanese nursery teachers.

### **Important points**

1. We do not accept applications before or after the period 10/9 to 10/19. Applications which will be send too late or too early will not be taken into consideration.
2. Please send the documents **via post.** We will not accept documents brought to school personally.
3. In case we cannot accept you child or you do not pass our application system we will refund your initial payment fully. Please keep in mind that **if you cancel your application your payment will not be wired back.**
4. Please only apply if you accept all our rules and regulations and check them

**Why would you like to send your child to Kids Academy Noah?**

**Your child's character and development (eg. very playful, active, gets angry easily...)**
