Why Noah?

- Parents will be asked to agree with Noah's education style. We will never judge kids or push them to do things they do not enjoy. We value rules and good manners but we respect the freedom of children.
- We appreciate the cooperation of parents to prove a good education for every child. Parents meetings will be held annually where teachers and parents can discuss the education of their child together.
- Noah's teachers are high educated skilled foreigners from different countries with fluent English language skills. They work together with professional and experienced Japanese nursery teachers.

Important points

- We do not accept applications before or after the limit day. Application which will be send too early will not be taken into consideration.
- Please send the documents via post. We will not accept documents brought to school personally or sending e mail. We will not inform you we get your application or not for each family.
- If you passed, please pay until the limit. If you don't pay until the limit, your application will be canceled. And we will not let you know your application has canceled.
- If you cancel your application after you pay, your payment will not be wired back even any case.
- We recommend to you visit school before you apply.
- Please only apply if you accept all our rules and regulations and check them.
- If the seats will all full, you can put your name on the waiting list, if you wish.

About your child

If your child has some problem (allergies, developmental disorder, or other developing problem) to join for school life, please let us know first.

Kids Academy Noah wants to accept any child. But also we have responsibility to keep your child and other children safely, and give good education. We cannot put one teacher for one child all the time because we are school.

We want school and parents find the best way for your child.

About expulsion

We don't accept kids in those case, even after you passed or you joined.

- When parents want to school to follow family rules too much
- When you try to sell or colicit religion to other family
- When your child is too difficult to spend time in the school or need one teacher to support
- When you can't follow school rules
- When you write or tell about your child and child's information to school something that is not true
